**Company:** Landform Professional Services, LLC  
**Job Title:** **Landscape Architect/Urban Designer**  
**Job Location:** Downtown Minneapolis

Landform is a multi-disciplinary consulting firm based in Minneapolis. We offer a full range of site design, planning and civil engineering services backed with over 20 years as an organization. Our professional resources include landscape architects, planners, civil engineers, land surveyors and development managers. We are committed to client service, design quality, principles of sustainability and an innovative approach to site design.

Our culture is based on our vision to grow and diversify while emphasizing quality design, strong client partnerships, and an energetic employee environment. We value quality, relationships, mentorship, leadership, and enthusiasm in our work. We achieve our mission by helping our public and private sector clients create successful memorable, SensiblyGreen® places.

We are looking for someone who can lead project design and management on a variety of public and private sector projects. You will work collaboratively with a team and will frequently spearhead community engagement and entitlement efforts. If you are looking for an energetic work environment and the opportunity to grow professionally, we want to see your resume!

#### **Responsibilities:**

- Advocate for design and design processes within a multidisciplinary studio
- Demonstrate strong technical skills – detailing, stormwater management, planting
- Incorporate a variety of compelling graphic communication methods in a streamlined manner
- Perform large commercial site layout from sketch
- Complete entire set of plans for review by Studio/Project Lead
- Perform complete grading design
- Perform detailed quantity takeoff and cost estimating
- Complete landscape plans, details and specifications
- Perform full site investigation without direction
- Assist Studio/Project Lead in public meetings
- Perform technical construction administration
- Issue revisions and bulletins
- Coordinate Agency permitting efforts

#### **Requirements:**

- Landscape Architecture registration in the State of Minnesota
- At least 5 years of landscape architecture experience, including specific experience in the commercial and retail development market.

- Thorough understanding of AutoCAD, Adobe Creative Suite, Sketchup
- Attends client meetings, days or evenings, some travel may be required.
- Advanced understanding of specifications within field and familiarity with specifications outside of field
- Good verbal and written communication skills, in order to lead and direct the work of others and coordinate with clients.

**Measures of Success:**

- Brings a passion for design and level of technical expertise that reinforces Landform's mission to help our client's succeed and to create memorable places.
- Efficiently delivers assignments on schedule and budget.
- Proficiency in the design and drafting of grading, site and landscape plans and associated details.
- Motivated to stay on top of industry trends and learn new graphic communication methods that will suit our clients' needs.
- Interest in growing professionally within the team and within Landform's structure.

**Full-Time/Part-Time/Hours:** Full-Time 40-50 hours per week

**Salary:** DOQ

**Benefits:** Health, dental, life, disability, PTO, 401K employer contribution, transportation allowance, fun and relaxing atmosphere

**Number of Openings:** 1-2

**Advancement Potential:** Promotions are based on your proven ability to master tasks.
