

DRIVING DIRECTIONS

Directions to Landform's office located in the Crown Roller Mill building are detailed below:

From Northeast – From southbound I-35W, take Exit 17-C (the Washington Avenue exit). Turn right on Washington Avenue South. Turn right onto South 5th Avenue; one block.

From Northwest – From eastbound I-94, take Exit 230 (the 4th Street exit). Proceed into and partially through downtown. Turn left onto 5th Avenue and proceed three blocks to the corner of South 5th Avenue and South 2nd Street.

From South – Take I-35W North. Continue towards the Downtown (5th Ave) Exit signs. Continue heading north on South 5th Avenue. When you cross over South 2nd Street, the Crown Roller Mill building will be on your right.

From East – Take I-94 W to Exit 234B to merge onto 5th Street. Turn right at 11th Avenue South. Turn left onto Washington Avenue. Turn right onto South 5th Avenue. Proceed one block to the corner of South 5th Avenue and South 2nd Street.

From West – From eastbound I-394, take Exit 9-C (the Washington Avenue exit) and turn right onto Washington Avenue. Turn left onto South 5th Avenue. Proceed one block to the corner of South 5th Avenue and South 2nd Street.

Parking

For parking of 15 minutes or less, there is a driveway you may park at available directly in front of the building (shared with the Ceresota building next door).

There is metered street parking (credit card and cash) along South 5th Avenue, 2nd Street, and 1st Street.

There is a parking lot (credit card and cash) across South 5th Avenue from the Crown Roller Mill Building.

The Depot Parking Ramp (credit card and cash) on South 5th Avenue, ½ block south of the Crown Roller Mill Building, between Washington Avenue and South 2nd Street.
