Company: Landform Professional Services, LLC
Job Title: **Planner I or II**
Job Location: Downtown Minneapolis

Landform is a multi-disciplinary consulting firm based in Minneapolis. We offer a full range of site design, planning and civil engineering services backed with over 20 years as an organization. Our professional resources include landscape architects, planners, civil engineers, land surveyors and development managers. We are committed to client service, design quality, principles of sustainability and an innovative approach to site design.

Our culture is based on our vision to grow and diversify while emphasizing quality design, strong client partnerships, and an energetic employee environment. We value quality, relationships, mentorship, leadership, and enthusiasm in our work. We achieve our mission by helping our public and private sector clients create successful memorable, SensiblyGreen® places.

We are looking for Planners with a bachelor degree in planning, urban design, public administration or similar field; municipal community development, economic development or urban planning experience; ability to maintain effective working relationships with other employees, agencies and clients; strong written and oral communication skills required. Landform offers an exciting opportunity for planners to work with public and private sector clients.

The Planner position will be responsible for review of development applications, coordination of City submittals for development clients, ordinance and comprehensive plan preparation for municipal clients and will be required to provide some project and client management. GIS experience a plus.
